Founded in 2006, Medistri has been focused on building infrastructure for the healthcare industry. Companies of every size, from startups & university projects to Fortune 500 companies use our services to save time, scale and focus on what they do best.

A timeline of Medistri's Development

- 2006** Medistri's Foundation.
- 2007** Medistri's Receives its Quality Certification.
Introduction of Medistri's Laboratory.
Introduction of Medistri's first EO Sterilization Technology Line.
- 2010** Introduction of Medistri's second EO Sterilization Technology Line.
- 2012** Introduction of new laboratory testing services.
- 2013** Introduction of Cleaning Validation Services.
- 2014** Introduction of Medistri's Steam Sterilization Technology.
- 2015** Introduction of Medistri's third EO Sterilization Technology Line.
- 2016** Introduction of new Laboratory Testing Services.
Introduction of Medistri's Manufacturing Services.
- 2018** Medistri becomes GMP certified by Swissmedic.
Expansion of Medistri's activities in the Pharmaceutical & BioTechnology Industries.
- 2019** Creation of Medistri's new plant.
Introduction of Medistri's Sustainable Gas Treatment Technology.
- 2020** Introduction of Medistri's fourth EO Sterilization Technology Line.
Introduction of Medistri's Packaging Validation Services.
- 2021** Introduction of Medistri's Laboratory's Chemistry Division.
Introduction of MedistriFilm.
Introduction of new Laboratory Testing Services.
Expansion of Medistri's Manufacturing Activities.
- 2022** Introduction of Medistri's fifth EO Sterilization Technology Line.
Creation of Medistri Development Unit at Biopôle, Lausanne.
- 2023** Introduction of Medistri's sixth EO Sterilization Technology Line.
- 2024** Medistri Receives its ISO 14001 Certification.
Introduction of MyMedistri.
Expansion of Medistri's Operations to Hungary - Medistri Kft.
Introduction of Medistri's First EO Sterilization Technology Line in Hungary.

Our values.

Our 3 main values that are applied in every process and that we wish to find in our commercial partners:

Honesty: Loyalty, good faith, transparency and responsibility.

Efficiency: Minimisation of resources for maximum results.

Success: Conquest of success through continuous improvement.

Where we are.

Our Headquarters are strategically located at the heart of Switzerland, in Domdidier, Fribourg, enabling us to efficiently manage global logistical complexities. Our operations are further strengthened by our Hungarian site, which enhances our logistical capabilities across Europe and supports our growing international presence.

Providing Sterilization & Laboratory Services
for the world's most innovative healthcare
companies.

The New Stack of Fully Integrated Services.

Laboratory Infrastructure

Chemistry

Biocompatibility & Toxicology

Sterility Assurance

Extractables & Leachables

Manufacturing Infrastructure

Product Assembly

Custom Packaging Solutions

Quality Control & CE Marking

Labelling & Distribution

Sterilisation Infrastructure

Steam Sterilization

EO Sterilization

Validation Infrastructure

Sterilization Validation

Cleaning Validation

Process Validation

Disinfection Validation

Packaging Validation

Transport Simulation

Sterile Barrier Integrity Testing

Medistri is continually innovating its **in-house** range of services. We're expanding our infrastructure to offer a completely integrated stack of services for healthcare companies. Organizations of every size — from startups to large enterprises use our suit of services to start, grow & optimize their business.

Within our site located at the heart of Switzerland, Medistri **combines all its technical infrastructure together** and places quality at the heart of its day-to-day operations. Allowing you to simplify your supply chain management, focus on growth & maintain excellence.
